Grace Harlowe's Junior Year at High School

## Grace Harlowe's Junior Year at High School

By Jessie Graham Flower (d. 1931)

In "Grace Harlowe's Junior Year at High School"; Or, "Fast Friends in the Sororities," the girl chums will appear as members of a High School sorority. Here the reader will make the acquaintance of Eleanor Savell, a clever but exceedingly willful girl, whose advent in Oakdale High School brings about a series of happenings that make the story one of absorbing interest. The doings of a rival sorority, organized by Eleanor, the contest for dramatic honors between Eleanor and Anne Pierson and the mischievous plot against the latter originated by the former and frustrated by Grace Harlowe, are among the features that will hold the attention and cement the reader's friendship for the girl chums. (Introduction by Jessie Graham Flower)
